2. Reasons for the Revisions

SKY Perfect JSAT Corporation (Head Office: Minato-ku, Tokyo; Representative Director, President & Chief Executive Officer: Shinji Takada), a consolidated subsidiary of SKY Perfect JSAT Holdings Inc., is responsible for satellite procurement for the order from the Ministry of Defense for the “Program to Upgrade and Operate X-Band Satellite Communications Functions, etc.,” received by DSN Corporation (Head Office: Minato-ku, Tokyo; Representative Director: Koki Koyama), which is a subsidiary of SKY Perfect JSAT Corporation. It became a prospect to deliver the Satellite-1 to the Ministry of Defense in March 2018, originally it was anticipated that the satellite would be launched in the fiscal year ending March 2019. On the other hand, in the Media Business number of subscribers and results of consolidated subsidiaries have been lower than the initial forecast. Thus revenue forecast has been revised upward to reflect these, while Operating Income, Ordinary Income and Net Income forecasts have not been changed.

* The above earnings forecasts are based on currently available information, and may include uncertain factors. Actual earnings may differ from these forecasts due to changing circumstances, etc.
